## 2006 - 2007

Meet Weekly for Lunch,  
Wednesday 11:45 –  
12:45 at Babe's on  
Schroeder Road.

### Sauk Trails Optimists:

This is the time of year to relax and enjoy the fruits of our labor. We get to do the same as a club, with the summer picnic and a Madison Mallards baseball game on the schedule. Let's also not forget the Madison Area Service Club Olympics, that 1-½ day event our club has dominated for much of the last 13 years. Do we have the enthusiasm and numbers to do it again? The sign-up sheets are starting to fill up. Look at page 7 and email Ricki Hoefer or me with where you would like to participate. She and I will be calling you to fill up any remaining slots, and we will email you updated sign-up sheets so you can all see what's available. Remember, we win two ways as a club by having members participating in every event, since fun and participation is what this Olympics is all about. Sign up now while it's on your mind. If your event is taken, email us: many people have changed events in the past to be sure all events are covered. That's where the word team comes in!

How does all this relate to helping kids, you ask? Let's turn that around: how long would you stay involved with something that is not fun? Join in the fun at these summer events, get to know your fellow Optimists and other service club members better, and carry over that enthusiasm to serving the community this summer. Volunteer at the Ronald McDonald House to serve a meal. Call IHN to see how you might serve the homeless by simply serving a meal, playing with the kids, or sleeping there overnight on a pullout bed. Call Rick Conne and see how you might be able to help at the Wexford Neighborhood Center, or contact the Allied Drive Neighborhood Center to see what help they need. Opportunities to make a difference for kids abound in our area. Call or email me if you need more ideas. If you make it through summer without feeling like you've made a difference, can you really say you've had a great summer? Remember that wonderful quote: "All good things in life come from helping others."

Optimistically yours,

**Greg Hermus**  
Sauk Trails Optimist Club President 2006 - 2007

## SAUK TRAILS – STOC, SUMMER 'PICNIC'

It's time for the annual STOC picnic and "warm up for the Service Club Olympics". John and Alison Scherer have graciously offered their newly remodeled home and spacious yard for bocce, Frisbee golf, lawn dice, ladder ball, croquet, and if someone has a net they can bring (let Kathy know), even volleyball!

DATE: **Sunday, July 15<sup>th</sup> from 3:00 -7:30ish.**

WHERE: **4549 Stonewood Drive, Middleton.**

Directions from Beltline: Exit Airport Road west, go 1 mile past the airport and Tallards Station, turn left onto Stone Wood Drive (there's a streetlight on the corner) and go all the way to the very top of the hill, on the right (north) side of the road. Phone: 836-0151

This is a family event and "the little ones" (as Bailey would say) are more than welcome. Scherer's have a dog-named "Charlie"; she is a larger, middle-aged lab/shepherd mix. She is quite mellow and does not mind kids at all as they always seem to leave a few unintentional treats on the ground... :)

John and Alison will provide plates, plastic dinnerware, and plastic glasses. The club will provide meat for grilling (hamburgers/hot dogs). A sign up list for salad, dessert, beverage, buns and appetizer is being passed at meetings, but if you want to come and can't make a meeting, just email Kathy Johnson ([kjohnson@rmstrategies.net](mailto:kjohnson@rmstrategies.net)) to sign up.

So bring your family, your bocce set, volleyball net, lawn chairs, food, and sunscreen. It will be a fun time as always. **This event is for ALL Sauk Trails Optimists and their families or significant others.**

## JOOI SUMMER CONFERENCE

The Spartan Youth Service Team (JOOI Club) Board of Directors will be attending leadership training in WI Dells from **August 14-17**. The students will have an opportunity to bond as a team, learn the procedures for running an effective meeting, learn what makes a good leader, and plan activities for the upcoming school year. There will be 12 students attending this meeting. If you would like to help with the conference, please contact Rick Thomas at 212-7582 or [thomas@kw.com](mailto:thomas@kw.com).

## Ronald McDonald House

On Wednesday, June 27<sup>th</sup>, Rick, Julie and Zachary Thomas cooked a meal of tenderloin tips over wild rice pilaf, rolls, pasta salad, and vegetables for the 25 people staying at the Ronald McDonald House. We will be cooking a meal again in July. If you are interested in helping prepare the meal, please contact Rick Thomas at: [thomas@kw.com](mailto:thomas@kw.com) or 212-7582.

## RESPECT for LAW, June 13<sup>th</sup>, 2007

Sauk Trails Optimist Club Honored police officers from the Madison Police Department on June 13th. Below are their pictures and information about each of the officers. Thanks to Steve Bailey for coordinating.

Officer Jason Ostrenga - Officer Ostrenga has been with the Madison Police Department since May of 1999 and is in his second year has one of the two Neighborhood Officers for the Allied Dr. neighborhood. As the neighborhood officer, he organized a very successful "midnight" drop-in men's basketball league, with over 40 men (18-35) participating. Not only did this program give these individuals something positive to participate in during night time hours, but allowed them to meet with the officers in a positive way. Jason also helps organize the Community Meal in the neighborhood where citizens of the community can interact in a positive way, not only with each other, but also with the police. Officer Ostrenga has also been involved in numerous criminal investigations, arrests and search warrants in the area.

Officer Jason Ostrenga, Club President Greg Hermus, Detective Tom Colby

Det. Tom Colby - Det. Colby has been a member of the Madison Police Department for almost 32 years and a detective for 23 years. He specializes in the financial crimes and arson investigations and co-authored the State Statute for Identity Theft, which has helped tremendously in the charging and prosecution of individuals engaged in financial crimes. Tom is also a director for the Financial Crimes Investigators of Greater Madison, which is a collaboration of individuals and representatives of local, state, and federal law enforcement, the banking industry and business community. Within the Madison Police Department, Det. Colby's attitude, work ethic and approach to investigation are an inspiration to his co-workers. He is extremely generous with his time and expertise as a mentor to fellow detectives and to officers.
